Bubble Paint Bookmark

Step-by-Step Instructions

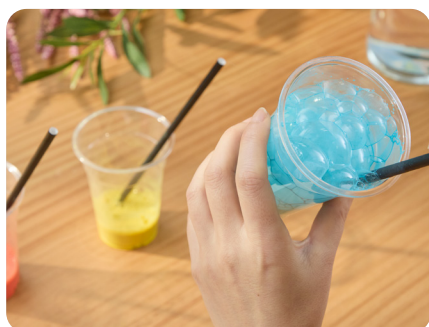

Skill Level: BEGINNER

- 1 Cut a piece of card into a long rectangle to create your bookmark.

- 2 In a palette, mix together paint, a little water, and a few drops of dish soap.

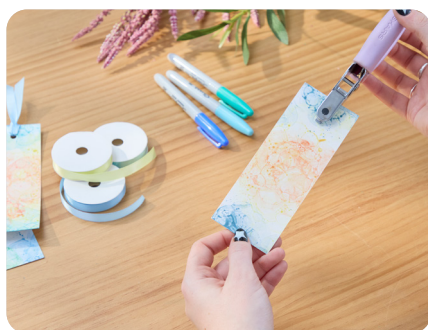

- 3 In small cups, mix together paint, a little water, and a few drops of dish soap. Place a straw into each cup and gently blow until the bubbles rise above the rim of the cup.

- 4 Carefully place the bookmark onto the bubbles to transfer the bubbly pattern onto the card.

- 5 Repeat with different paint colours, layering the bubble prints to create a colourful design. Leave your bookmark to dry completely.

- 6 Once dry, punch a hole at the top using a hole punch (or carefully use scissors with adult help).

- 7 Thread a piece of ribbon through the hole and tie a knot to finish your bookmark.

- 8 Enjoy your colourful handmade bookmark!
